

Optometry

Chinese Hospital Optometry Clinic offers routine vision care and management of eye diseases for both pediatric and adult patients by board-certified optometrists and experienced opticians.

Our Services

Comprehensive eye exams will include screening for glaucoma and cataracts, as well as vision correction with glasses and contact lenses. Our clinic carries a wide range of fashion, high quality eyeglasses and sunglasses choices, as well as contact lens to suit your style and needs.

We accept patients with VSP, EyeMed, San Mateo Health Plan, San Francisco Health Plan, Medicare, Hill Physicians Medical Group, and other major insurance plans, as well as self-pay patients. Make an appointment today and let us help you keep your eyes healthy!
