

Pharmacy

At Chinese Hospital, our experienced pharmacy staff is part of your healthcare team. Our patient-oriented pharmacy is staffed by registered pharmacists and certified pharmacy technicians, and uses the latest technology to fill prescriptions safely and efficiently. Our team strives to provide the highest standards of personal professional services with cost-saving options to advance the hospital's mission.

Our Services

We offer safe and comprehensive pharmaceutical services for hospitalized patients, as well as easy and convenient retail pharmacy services for the public.

Our team will work closely with you and your healthcare providers to manage your medical care and ensure the optimal treatment outcomes. We also provide one-on-one consultations to make sure you understand the medications and know how to take them. You can depend on our highly trained pharmacy staff who know about your conditions.

In addition, our antimicrobial stewardship program has met the highest standards set by various government regulatory teams as well as the Joint Commission.

We accept most insurance plans. Visit one of our locations today for all your pharmaceutical needs.
