

# COVID-19 Testing

We offer COVID-19 tests for individuals with or without symptoms at our COVID-19 clinics. The results are usually available within 4 days, but the timing can change based on testing capacity and demand. **You can book an appointment by calling 1-628-228-2828.** We accept most insurance plans, including CCHP, Blue Shield, Blue Cross, San Francisco Health Plan, Health Plan of San Mateo, Medicare and Medi-Cal. We are committed to the safety of our patients and staff. One way we limit your risk of exposure is by providing COVID-19 testing to all patients with a scheduled surgery or procedure. We'll schedule an appointment for you to be tested for COVID-19 about 48 hours before your surgery or procedure. **Due to equipment maintenance, we are going to temporarily pause COVID testing services for travelers going back to CHINA, effective 1/13/2022. Resuming date to be determined. Testing for travelers to other destinations will remain available by appointment.**

**Location: 845 Jackson Street, San Francisco, CA 94133**

**Hours: Monday to Friday: 11:00 a.m. – 12:30 p.m.**

**Test device & reagent: GenMark**

**Price: (Subject to change without notice)**

Please send an email to [SupportHealthServices@chasf.org](mailto:SupportHealthServices@chasf.org) with the required information below.

- Full name in English (Must match the passport)
- Gender
- Date of birth
- Preferred test date
- Travel destination
- Contact phone number (US number)
- Email address (Gmail or Yahoo Mail preferred)
