

Medical Staff

Chinese Hospital Medical Staff is made up of over 300 highly qualified physicians and specialists with degrees from leading medical schools in the United States and the world. Most are board certified doctors who offer high quality medical services in multiple areas of expertise including: Primary Care, Family Practice, Surgeries, Cardiology, Dermatology, Geriatrics, Neurology, Ophthalmology, Pulmonology, Radiology and other specialties. In keeping with Chinese Hospital's original mission, many provide culturally competent medical care and can communicate in multiple languages including English, Cantonese, Taishanese, Mandarin, Tagalog and Spanish.
