# Mission, Vision and Values

## Our Mission

Chinese Hospital, a community-owned, not-for-profit organization, exists primarily to deliver quality health care in a cost effective way, responsive to the community's ethnic and cultural uniqueness, providing access to health care and acceptability to all socioeconomic levels. Chinese Hospital is governed by a voluntary Board of Trustees, broadly representative of the community, and strives to assume a leadership role in all health matters.

#### Chinese Hospital's mission emphasizes these important points:

- Community ownership and responsiveness
- Community leadership
- Cultural uniqueness
- Concern for a broad spectrum of health needs, including but not limited to hospital care.

## Our Vision

Chinese Hospital is committed to improving community access to a quality, culturally sensitive and affordable healthcare delivery system which is dedicated to improving community health status, promoting preventive practices and wellness, and providing coordinated and appropriate health care services.

We will work collaboratively with other community health care plans and providers in realizing this vision.

- Improved community access
- Provision of integrated spectrum of services
- Improved focus on prevention and wellness

### Our Values

• Integrity

- Respect
- Empowerment
- Team Work
- Accountability
- Quality Improvement
- Community collaboration and benefit
- Prudent use of resources

Chinese Hospital complies with applicable state and federal civil rights laws and does not discriminate, exclude people or treat them differently because of age, sex, economic status, educational background, race, color, religion, ancestry, national origin, sexual orientation, gender identity/expression, disability, medical condition, marital status, registered domestic partner status, genetic information, citizenship, primary language, immigration status (except as required by federal law) or the source of payment for care.
