# Message from the Chief Executive Officer

## Dr. Jian Zhang

Chinese Hospital is extremely proud to be marking its 120th anniversary, a significant milestone that very few organizations achieve. It is particularly gratifying to be celebrating this anniversary as Chinese Hospital recently received a 5-Star rating from the Centers for Medicare and Medicaid Services (CMS) based on quality of care, safety and patient experience. I credit this success to the dedicated medical providers and staff for their devotion to the hospital and the community it serves.

Reflecting on the long-standing history of Chinese Hospital, I would like to acknowledge our original founders for their visionary leadership in creating this culturally sensitive healthcare organization to serve the Chinese community when they were denied healthcare elsewhere. In addition, I wish to recognize the generations of board members, medical staff and community leaders who fought tirelessly for the survival of Chinese Hospital during the past 120 years. Thanks to the contribution and dedication from the resilient leaders and support from the community, Chinese Hospital has transformed from a small dispensary in 1899 to a modern state-of-the-art hospital today.

Together with its partners, Chinese Hospital is focused on improving healthcare access, quality of care, patient experience, long-term financial viability and strengthening of our hospital culture and operational stability.

Most importantly, I would like to express my sincere appreciation to all of you, supporters of Chinese Hospital, for your continued trust in our healthcare system. Chinese Hospital is committed in making our community healthy.

# Phoenix Unveiling Ceremony

Chinese Hospital hosted an unveiling ceremony for the Phoenix and Fireball-Pearl tile wall on April 6th. Mr. Arthur Chan, our principal donor, named the Fireball-Pearl in honor of the American Teo Chew Business Association. Hundreds of people gathered at Chinese Hospital to witness the historic moment. The new and unique Phoenix and Fireball-Pearl wall is adorned with over 400 personalized tiles in various colors and sizes, and serve as a means for people to express their support and gratitude. It is installed next to the Dragon Wall, which together it completes the prosperous image representing success, good fortune, and wellness.

“I would like to express my sincere appreciation to the donors for their dedication and contributions to Chinese Hospital. It is because of such supporters that Chinese Hospital has been able to transform from a small dispensary in 1899 to a state-of-the-art facility in 2016,” said Dr. Jian Zhang, Chinese Hospital CEO.

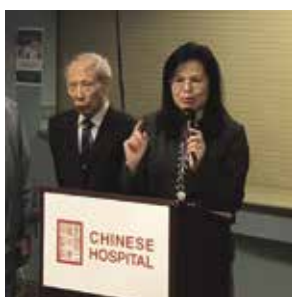

She further stated, “together with its partners, Chinese Hospital is focused on improving healthcare access, quality of care, patient experience, long-term financial viability and strengthening of our hospital culture and operational stability.”

“It’s an honor to be involved with something that allows us to donate back to worthy causes,” said Mr. Arthur Chan. “I watched the new Chinese Hospital grow from a concept to a magnificent hospital, and I can think of no better investment than supporting the much-needed medical services for the community.”

The Phoenix Wall campaign was launched in 2016 and raised over \$3.4 million. The funds support the building renovation and service expansion project including same-day surgery center, gastrointestinal laboratory, multispecialty clinic, as well as infusion center for chemotherapy and blood transfusion.

During the ceremony, Mr. George Lew, President of the Chinese Hospital Association Board of Trustees, expressed his sincere gratitude to all the donors for their support.

"We are truly grateful for the support we have received. Chinese Hospital has been serving San Francisco for more than a century, and it is recognized as one of the most affordable, quality hospitals in the city. Chinese Hospital is the last remaining independent community hospital in San Francisco," said Mr. Lew.

We invite you and your families to view the Phoenix and Fireball-Pearl tile wall, which is located on the exterior wall on 845 Jackson Street.

# 120<sup>th</sup> Anniversary Celebration

Chinese Hospital marked its 120th Anniversary with an annual gala at the San Francisco Design Center on April 18th to celebrate 120 years of providing affordable quality care to the community.

Dr. Jian Zhang, Chinese Hospital CEO and Mr. George Lew, President of Chinese Hospital Association Board of Trustees opened the celebration evening by thanking supporters, sponsors and staff in attendance.

“Chinese Hospital is extremely proud to be celebrating our 120th anniversary, a significant milestone that very few organizations achieve. Reflecting on the long-standing history of Chinese Hospital, I would like to acknowledge our original founders for their visionary leadership in creating this culturally sensitive healthcare organization. I wish to recognize the generations of board members, medical staff, and community leaders who fought tirelessly for the survival of Chinese Hospital during the past 120 years,” said Dr. Zhang.

## 5-Star rating for overall performance Awarded by Centers for Medicare & Medicaid Services

She further stated, “our focus is to continue to improve healthcare access, quality of care, patient experience, long-term financial viability, and strengthening of our hospitals culture and operational stability.”

The top donor, Mr. Arthur Chan praised the services provided at Chinese Hospital, “Centers for Medicare and Medicaid Services awarded Chinese Hospital a 5-Star rating, I want to add one more for the 6-Star services I received lately. I continue to make donations to Chinese Hospital because I believe in the current leadership team and hardworking staff.”

Mr. Chan encourages individuals and the like to support Chinese Hospital for their culturally sensitive high-quality health care that is imperative to the community.

“With gratitude, I especially want to thank those who trust Chinese Hospital for their healthcare. Chinese Hospital is an iconic place to the community for healing and wellness. Thank you for supporting Chinese Hospital’s mission, and I hope everyone continues to support Chinese Hospital so we are able to serve the community for another 120 years,” said Mr. Lew.

The evening award ceremony was officiated by Mayor London Breed. The Lifetime Achievement Award was presented to former San Francisco Mayor, Willie L. Brown, Jr., for his significant achievements in San Francisco and for Chinese Hospital. In addition, Chinese Hospital presented philanthropist Mr. Arthur Chan with the Top Donor of the Year Award for his exemplary support and commitment to Chinese Hospital and creating a healthy community for generations to come. Carmelita and Keith were also recongized as Donor of the Year for their lifelong committment and compassions.

# Investing in the 1979 Building's Full Potential

## – Preparing for Chinese Hospital's 125th Anniversary in 2024

Dear Friends,

Chinese Hospital's landmark completion of the 2016 Patient Tower has won extraordinary, positive attention throughout San Francisco and beyond, and a 5-Star Rating for overall performance from the Centers for Medicare and Medicaid Services (CMS). The 5-Star Rating from CMS is unique among all acute care hospitals in San Francisco, in which donors like you can share sincere and well-deserved pride of accomplishment.

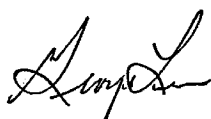

The sparkling new building has inspired a diligent re-design with renovation plans for the adjacent but dated 1979 hospital building, so that it better complements the 5-Star standards set by the new Patient Tower. The plans will allow Chinese Hospital to provide new, more efficient and expanded healthcare services by leveraging the physical envelope of the existing structure, thus providing a cost-effective approach consistent with Chinese Hospital's reputation for efficient use of donors' investments.

The same capable team that successfully managed the Patient Tower Project has been working with design and construction teams to fulfill the vision set by our Hospital leadership, the Board of Trustees, current and prospective campaign donors, patients, their families, and the community-at-large.

Upgrading the seismically-sound interior layout and facilities of the 1979 building is a cost-effective, wise investment that will pay off with continued high levels of patient care and satisfaction. Every square foot of the 5-story building, the rooftop and one basement floor, will be touched and renewed as a result of this project.

Spectacular naming opportunities for donors, and those they seek to honor, are available throughout the 1979 Building with a select few remaining in the new Patient Tower. Chinese Hospital now turns to traditional and new supporters to raise the \$23 million balance of the \$30 million required to complete these vital renovations in time for our 125th Anniversary in 2024.

Chinese Hospital appreciates that it is the continued generous support of donors like you that makes our 5-Star healthcare possible for patients and their families. On their behalf, thank you!

## OFFICE OF THE GOVERNOR

April 18, 2019

Dear Supporters, Staff, and Board Members of Chinese Hospital,

On behalf of Californians, I am pleased to welcome you to the 120<sup>th</sup> Anniversary Celebration of Chinese Hospital.

Chinese Hospital is the last independent hospital in San Francisco and has a long and rich history in this state. Chinese Hospital, a community-owned, not-for-profit organization, exists primarily to deliver quality health care in a cost effective way. The hospital provides access to people of all socioeconomic levels and is dedicated to serving the unique cultural needs of the community.

Thank you to the staff, doctors, community and civic leaders for your contribution to the history and success of Chinese Hospital. Congratulations to award recipients Arthur Chan, Keith Tsu, and my longtime friend, the Honorable Willie L. Brown Jr. on his Lifetime Achievement Award. Your legacies of support and commitment to the Chinese Hospital have greatly served the people of this wonderful state, and many generations to come.

Sincerely,

Gavin Newsom

## GREETINGS FROM THE MAYOR OF SAN FRANCISCO

On behalf of the City and County of San Francisco, it is my great pleasure to welcome you to the 120<sup>th</sup> anniversary celebration of Chinese Hospital.

For 120 years, Chinese Hospital has provided quality, affordable, and culturally sensitive health care to the diverse communities of San Francisco. Chinese Hospital's origins grew out of the need for increased access to culturally competent health care for our Chinese community, particularly our lower-income and senior populations. Since its founding, Chinese Hospital has worked tirelessly to grow their services in response to the unique and dynamic needs of our City's residents. From opening clinics in different neighborhoods including the Excelsior and Sunset, to building a state-of-the-art patient tower, Chinese Hospital has made it their mission to grow their facilities in order to provide the best possible experience for patients, visitors, and employees. With planned renovations to their patient services building, lobby, laboratory, and kitchen facilities, Chinese Hospital will continue their legacy of providing essential health care in a comfortable and modernized setting.

With a continued focus on prevention, wellness, access, and integrated services, Chinese Hospital remains a vital provider of health care in San Francisco. From optometry and radiology to emergency care, health programs, and pharmacological care, Chinese Hospital is a critical part of ensuring our community has access to the care they need so they can lead healthy lives.

Thank you to everyone who made this incredible celebratory event possible, and to all those in attendance who support Chinese Hospital and the critical health care services they provide to our diverse San Francisco communities.

With warmest regards,

## California Legislature

April 18, 2019

Dear Friends:

On behalf of the California State Legislature, we offer our best wishes to Chinese Hospital on the occasion of its 120th anniversary and congratulate them on their outstanding work over the past 120 years.

Established in 1899, Chinese Hospital was founded to provide healthcare services to the underserved Chinese community who faced discrimination and limited access to public health services. Chinese Hospital, a community-owned and non-profit organization, is committed to providing high quality, culturally competent and affordable healthcare services to residents in the San Francisco Bay Area. In 2018, the Chinese Hospital was awarded a 5-star quality rating by the Center of Medical Services, making it the only hospital in San Francisco to receive such an award.

We offer our best wishes and appreciation to Chinese Hospital for their outstanding commitment in providing high quality healthcare to our community, and we look forward to another year of Chinese Hospital's phenomenal work serving the San Francisco Bay Area.

Sincerely,

## **WELCOME TO THE 120<sup>TH</sup> ANNIVERSARY CELEBRATION OF CHINESE HOSPITAL**

Dear Friends and Community Supporters,

Greetings! Welcome to Chinese Hospital's 120<sup>th</sup> Anniversary Celebration!

I am proud that I was born at Chinese Hospital. Chinese Hospital holds a special space in my heart because of its long-lasting mission to deliver quality healthcare that is responsive to the community's ethnic and cultural uniqueness across all income levels. It started as the Tung Wah Dispensary on Sacramento Street and has now expanded its original vision to provide affordable healthcare to Chinatown and beyond.

I want to thank the donors who make the work of Chinese Hospital possible and congratulate the honorees for their significant contributions to this community treasure. As a community-owned, not for profit organization, the Hospital's existence is critical to the populations it serves. On behalf of the San Francisco Board of Supervisors, I wish the Board, staff, and volunteers a wonderful celebration and years of continued success!

Sincerely,

# Chinese Hospital Lifetime Achievement Award

## The Honorable Willie L. Brown, Jr.

Two-term Mayor of San Francisco, legendary Speaker of the California State Assembly, and widely regarded as the most influential African-American politician of the late twentieth century, Willie L. Brown, Jr., has been at the center of California politics, government, and civic life for an astonishing four decades. His career spans the American Presidency from Lyndon Johnson to George W. Bush, and he's worked with every California Governor from Pat Brown to Arnold Schwarzenegger. From civil rights to education reform, tax policy, economic development, health care, international trade, domestic partnerships, and affirmative action, he's left his imprimatur on every aspect of politics and public policy in the Golden State. As Mayor of California's most cosmopolitan city, he refurbished and rebuilt the nation's busiest transit system, pioneered the use of bond measures to build affordable housing, created a model juvenile justice system, and paved the way for a second campus of the University of California, San Francisco, to serve as the anchor of a new development that will position the City as a center for the burgeoning field of biotechnology. Today, he heads the Willie L. Brown, Jr., Institute on Politics and Public Service, where this acknowledged master of the-art-of-politics shares his knowledge and skills with a new generation of California leaders.

The San Francisco Chronicle called Willie L. Brown Jr. "one of San Francisco's most notable mayors" who had "celebrity beyond the city's boundaries." At Chinese Hospital, we refer him as one of the most remarkable leaders in the Chinese community. Willie L. Brown, Jr. is not only a longtime supporter of Chinese Hospital, but also a top advocate for the hospital. He played a key role in developing the golf tournament alongside Rose Pak and Ed Lee back in the 1990s. In 2018, he became the co-chair of our golf tournament committee. Additionally, he is our beloved auctioneer at the golf tournament.

We would like to thank Willie L. Brown, Jr. for being a key part of our community's history and legacy. As he has played an influential part of Chinese Hospital's evolution and success for more than 25 years, we are proud to present the Honorable Willie L. Brown, Jr. with the Lifetime Achievement Award.

# Chinese Hospital Top Donor of the Year Award

## Arthur Chan

Mr. Arthur Chan is the top donor of Chinese Hospital and we are deeply grateful for his generosity and his pledge to support us!

He has been generous not only through monetary gifts, but with his time to advocate for Chinese Hospital in the community. He champions others to get involved with the Chinese Hospital philanthropically, as well as volunteering. As a community hospital, we depend on individuals like Mr. Arthur Chan to continue helping our patients.

He is the founder and lifetime honorary president of the Teo Chew Community Center and the lifetime honorary president of the American Asian Elderly Humanitarian Society. He also is the major donor for the Teo Chew Community Center, American Asian Elderly Humanitarian Society, Chinese Newcomers Service Center, San Francisco Elim Church, and Chinese Asian Association. Additionally, he made significant donations to the American Red Cross, Golden Gate University and many more. For his continuous contributions and dedicated support to Chinese Hospital, we are proud to present Arthur Chan with the “Top Donor of the Year” Award.

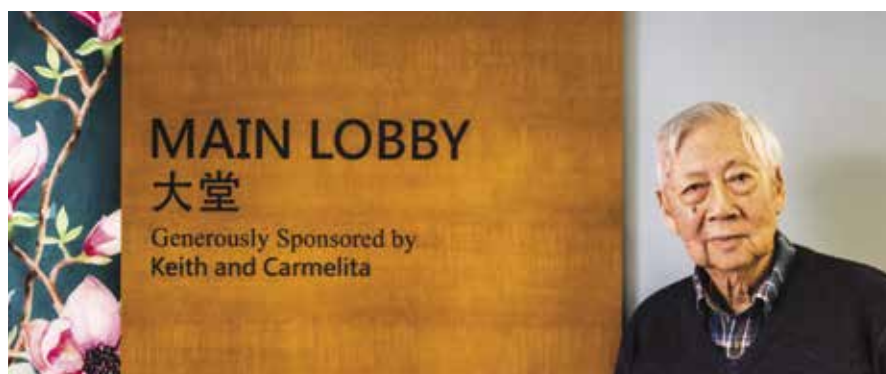

# Chinese Hospital Donor of the Year Award Keith & Carmelita

Together, Keith and Carmelita embarked upon an impactful journey of philanthropy, with an emphasis on healthcare. Chinese Hospital is one of the many healthcare institutions that they support.

“My wife and I worked very hard for survival, we are now both seniors, and we are fortunate to be able to support an institution that helps the Chinese Community as well as those in the community who are less fortunate and unable to afford quality healthcare,” said Keith.

Keith took an interest in helping Chinese Hospital when he first read an article about the new Patient Tower construction project. He also learned more about Chinese Hospital through his physician friends. Keith and Carmelita valued and supported Chinese Hospital at every level, and proudly funded the Chinese Hospital new Patient Tower. In recognition of their contributions and support to the hospital, their names are listed in the stress testing room, stress exam room, radiology room, nurse station, the hospital lobby and many more locations. For their compassion and lifelong commitment, Chinese Hospital proudly presents Keith and Carmelita with the “Donor of the Year” Award.

## Congratulations to another successful Golf Tournament!

Chinese Hospital hosted a spectacular, successful 25th Annual Charity Golf Tournament Monday, October 14th – Columbus Day – at San Francisco's world-class Olympic Club. Over \$800,000 was raised.

This fundraiser benefits the critically-needed 1979 building renovation, along with expansion of the same-day surgery center, laboratory, multispecialty clinic, and an infusion center for chemotherapy and blood transfusions. The renovation, expansion and improvements will be consistent with Chinese Hospital's exceptional 5-Star Rating from the Centers for Medicare and Medicare Services (CMS) for outstanding patient care.

The late Mayor Edwin Lee and Rose Pak founded the charity golf tournament 25 years ago to raise funds for the hospital, providing quality care for the underserved community. Each year, over 300 golfers play at the lavish Lake and Ocean courses. After golf, guests attend a cocktail reception led by our golf co-chair, the magnanimous and energetic

Mayor Willie L. Brown, Jr. A glimpse of a few of this year's live auction items included:

- China Southern Business class plane tickets
  - Chef George Chen's China Live Dumpling Group Workshop
  - Dinner with Mayor Brown at owner Kinson Wong's Harborview Restaurant & Bar
