Dear Chinese Hospital Supporters,

Thank you for your unwavering support to Chinese Hospital! Together, we have made Chinese Hospital one of the 2024 Best-in-State Hospitals as recognized by Newsweek. As we approach a momentous milestone — 125 years of dedicated service to the community — we are delighted to extend an invitation for you to join us in celebrating our 125th anniversary on May 9, 2024, at the Hyatt Regency San Francisco at Embarcadero.

Celebrate 125 Years of Heritage and Excellence

Chinese Hospital, a testament to resilience and accomplishment, has weathered 125 years with grace. Established in 1899 as the Tung Wah Dispensary to address the healthcare needs of San Francisco's Chinese community amid systemic exclusion and violence, we have evolved into a symbol of medical excellence and cultural inclusion.

In the face of historical challenges, such as the bubonic plague over a century ago, and more recently, the COVID-19 pandemic, Chinese Hospital has stood firm, combating fear, misinformation, and discrimination. Our commitment to providing culturally competent and exceptional healthcare has been instrumental in safeguarding Chinatown and the broader San Francisco communities, making us a model for community-based healthcare.

Speaker Emerita Nancy Pelosi expressed the profound impact of Chinese Hospital, affirming, "I'm happy, comforted, just always feel so confident in what you are doing and to share with others in DC the value of community-based care, as a model for the nation and innovative ways in which you deliver world-class care."

Your Continued Support Matters

Your ongoing support is vital to ensure the lasting legacy of Chinese Hospital for generations to come. In a landscape where vulnerable communities face barriers to culturally and linguistically appropriate care, your contributions help us overcome these challenges. Through your generosity, we can ensure the delivery of essential healthcare services, ensuring that our community receives care that respects their cultural and linguistic needs. Your partnership empowers us to maintain a steadfast presence as a beacon of hope, health, and inclusivity in the heart of San Francisco.

To RSVP for the 125th anniversary celebration, please return the completed form to Chinese Hospital Office of Fund Development at 845 Jackson St, San Francisco, CA 94133, or via email at donate@chasf.org. Checks should be made payable to "Chinese Hospital," or you can conveniently make a payment through our online portal at www.chinesehospital-sf.org/125thAnniversary. For those who are unable to join us in person, your philanthropic support is sincerely appreciated. Contributions can be made through our website www.chinesehospital-sf.org/donate-now or by contacting the Office of Fund Development.

We look forward to celebrating this momentous occasion with you and continuing our journey together towards a healthier and stronger community.

Thank you for your unwavering support,
