

UCSF Health

UCSF Health is proud to announce that Chinese Hospital has achieved a 4-Star Quality Rating from The Joint Commission. This recognition is a testament to the hospital's commitment to providing high-quality patient care and safety. UCSF Health is pleased to partner with Chinese Hospital to continue to improve the health of the community.

UCSF Health is committed to providing the highest quality of care to our patients. We are proud to have achieved this 4-Star Quality Rating from The Joint Commission, which is a recognition of our dedication to patient safety and quality of care.
